

# Michigan Master Logger Application

Updated: 8/2020

## PROGRAM OVERVIEW

The Master Logger Certification Program provides logging companies a third-party certification process to recognize adherence to high standards of performance based on the sustainable forest management standards set by the American Loggers Council. The program assesses and documents the harvest practices that loggers use in the forest, and ensures that professional loggers are rewarded for the good work that they do.

## ELIGIBILITY

Individuals who are eligible are owners of logging businesses. A logging business is a sole-proprietorship, partnership, or corporation that:

- Purchases stumpage and/or is an independent contract logger,
- Controls timber harvesting, or
- Owns timber harvesting equipment
